Description:

BOOK FIVE Jacobs Daughter series After tragedy struck Noah Beilers life nearly two years ago, he turned his back on his faith and the community. No one except Rose knows he has remained in the dilapidated home that overlooked the pond that hed grown to despise. When new tragedy strikes, he is forced out of hiding. Will chasing fireflies on a warm, summer night change his life forever? Find out in this tale of summer love...

With each successive book in her series, this author's writing gets better and better! I liked this book. I liked that she expanded the characters, giving us more depth to the main characters and a broader view of the secondary Amish characters. Still, I think her books could be even better by adding length to her novels. The story seemed to end abruptly and a bit too short. I would have enjoyed reading about the actual weddings of the two featured couples in this story. This book did provide the best use of past characters being incorporated into the story (as compared to the previous books in this series). I did enjoy the mysterious nature that this book added. It made the story more enjoyable. I also enjoyed the surprising turn of events at the end of the story. I am now looking forward to reading the rest of the series and those books that are companion to this series.
